

Pupil Premium 2019-20 – Estimated

The pupil premium is additional funding for publicly funded schools in England. It's designed to help disadvantaged pupils of all abilities perform better, and close the gap between them and their peers.

In the 2019 to 2020 financial year, schools will receive the following funding for each pupil registered as eligible for free school meals (FSM) at any point in the last 6 years:

- £1,320 for pupils in reception to year 6
- £935 for pupils in year 7 to year 11

Taken from Gov.uk

As at September 2019, 35% of pupils are eligible for free school meals

Barriers to educational achievement can include SEND support, family/home involvement, levels of access to enrichment opportunities and extra curriculum activities. Some children benefit from working in small groups where specific needs such as social, emotional and therapy needs can be supported to boost individual learning. We aim to address these barriers by individually tailoring our provision by offering interventions specifically tailored to the child.

Area of Support	Why are we offering this support?	Cost £	Expected Impact
Lego therapy	To further develop positive attitudes and the ability for individuals to problem solve	500	Behaviour and team working for many of our pupils will be outstanding
Draw to talk therapy and EST (emotional support time)	For pupils to develop self-control through communication and an awareness of their emotions	4595	Pupils are better understood and therefore, staff are able to better support the development of positive attitudes
