

## Primary Sports Funding 20-21 - estimated

Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport they offer. *Gov.uk*

We strive to ensure the activities and resources we offer through this funding is sustainable. Our swimming lessons teach a skill that can be embedded and improved upon with practice. We look to develop skills that can be developed and improve many areas such as health, confidence and wellbeing.

As at September 2020, there were 44 pupils in years 1-6. Due to the Coronavirus restrictions, this plan will be reviewed in March 2021 and amended as necessary. The Primary Sports Funding received for 2019-20, will be also reviewed in March 2021.

### Funds expected £16,370
