

Primary Sports Funding 18-19 - ACTUAL

Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport they offer. *Gov.uk*

We strive to ensure the activities and resources we offer through this funding is sustainable. Our swimming lessons teach a skill that can be embedded and improved upon with practice. We look to develop skills that can be developed and improve many areas such as health, confidence and wellbeing.

Funds received £ 16248

Activities and Resources	Expenditure	Impact
Inter-School Activities <ul style="list-style-type: none"> - Cricket Festival - Dance Festival - Fuel / bus hire 	£ 300	Pupils have represented the school and reported enjoyment and increased confidence. Pupils have benefitted from trying new sports and understood how to behave when playing competitively.
Swimming Lessons Employing our own lifeguard	£ 7948	Pupils confidence in the water has increase further. Therapeutic and positive health benefits have been gained. The primary curriculum has been fulfilled
Health & Fitness Week	£ 300	Knowledge about health, hygiene, healthy foods and the importance of keeping fit has been cemented. This has helped to positively impact on pupils overall wellbeing and create healthy habits for life.
WOEC (Outdoor Education)	£1000	Pupils have experienced new activities in a safe environment with trained instructors. Pupils have gained increased confidence and developed new skills sets through these activities. Pupils have accessed sports that their mainstream peers do and developed positive familial relationships.
Surf Therapy	£ 800	Pilot of surf therapy with registered surf school in Cornwall was a great success. This activity was accessed by a range of pupils from our PMLD to ASD classes. Pupils were able to spend time in the ocean, developed confidence, skills, water confidence and beach safety knowledge.
Paddle boarding	£ 300	PMLD pupils have had the opportunity to take part in a water sport and enjoyed being in the ocean and gain meaningful sporting experience.
Walking with llamas	£ 200	PMLD pupils have developed empathy and understanding of caring for an animal, whilst being active. There have been therapeutic benefits of stroking and petting animals in a safe environment.
Fitness activity programme with Jim Gump	£ 250	All pupils were encouraged and rewarded for entering the everyday active challenge. There has been a positive impact on pupil's overall wellbeing and healthy habits for life have been created.
Outdoor table tennis and table football	£ 1000	Break times and lunchtimes have been enhanced & pupils have had the opportunity to be more active and develop play skills, understand behaviours around sharing / being competitive and supportive of others.
Sjoelbak – Dutch shuffle board	£150	All pupils have had the opportunity to learn a new game and some pupils have furthered their understanding of games in other cultures. This game has also been used to develop turn taking in

		EST groups.
Rebound therapy	£ 4000	<p>Weekly sessions of rebound therapy have taken place led by our qualified staff. Pupils have increased their:</p> <ul style="list-style-type: none"> • Strength of limbs • Patience • Communication • Co-ordination • Independence • Self-confidence • Balance • Muscle tone • Eye contact • Relaxation • Freedom of movement • Sense of achievement • Stamina • Fun and enjoyment
